

## JOINING SCOTTISH SWIMMING

Scottish Swimming are the governing body for swimming in Scotland. When you join Garioch Amateur Swimming Club (GASC), you also need to join Scottish Swimming as a member to make sure that we are insured for you. Once registered you will receive a membership number which will be used if you compete or attend courses or become a teacher or coach.

GASC is responsible for managing all their members, and members cannot pay their membership direct to Scottish Swimming. The process is this - once you have registered your details on our database, and added Garioch ASC, our club treasurer will get a notification that you have joined. Once we have collected your membership fee, our membership secretary can arrange your membership which will make you an active member on the system.

GASC currently charge the following for Scottish Swimming membership fees:

- |  |     |
|--|-----|
| 1. Swimming Member                         | £45 |
| 2. Non-Swimming Member (parent / guardian) | £15 |

It is club policy for one adult per family to register with Scottish Swimming when their child joins the club. **Please remember to register both you and your child.** If you already have a child swimming in the club and are already registered, you only need to complete registration for your new child.

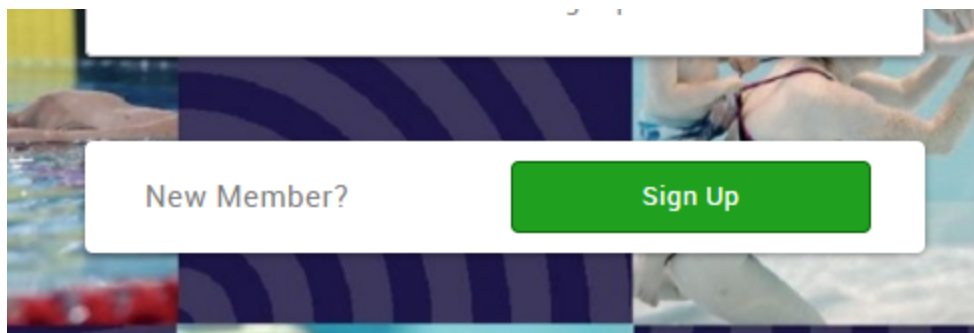

To register with Scottish Swimming please follow these steps:

1. Have you been with a swimming club before? If so it is likely that you are already on the Scottish swimming database, so it is important that you don't just create a new profile since that would lose any of your history for eg courses, swim times – so to reinstate an older account or one you cannot access please contact us at [info@scottishswimming.com](mailto:info@scottishswimming.com) and we can simply reactivate your account, saving you time. Also this will carry forward any swimming rankings, qualifications or courses, etc.

Do you have any family members already registered with Scottish swimming? If so go to Appendix 1.

If you do not have previous involvement with swimming go to <https://www.scottishswimming.com/>

2. Click on online membership
3. Click on new member sign up

4. Enter the new member's details

By signing up you agree to the [Terms of Service](#) and [Privacy Policy](#) including Cookie Use.

- Important note – when you enter your email address – it will automatically copy this into the user name box. If you already have a family member on the system registered with that email address, then you should manually overwrite the user name before clicking sign up – make it something memorable – eg firstname.surname – the system cannot have two identical user names which is why you will need to change it if it's already been used, otherwise you will get an error message. By changing the username you don't need to change your email address.
- You need to now join GASC on the system – **if you don't join Garioch ASC online we cannot see your profile meaning we cannot add your membership.** To add Garioch Amateur Swimming Club click on select club on the right hand side and use the list to find us – it will then come to us to approve.

- Now you need to select what kind of membership you require – if you are in the water – it is swimming membership. If you are a volunteer or coach or basically any role out of the water – choose non swimmer. To do that click on membership category then add button on the red membership tile.

8. Click on the membership, scroll down to complete the required information, then click on the yellow finish button

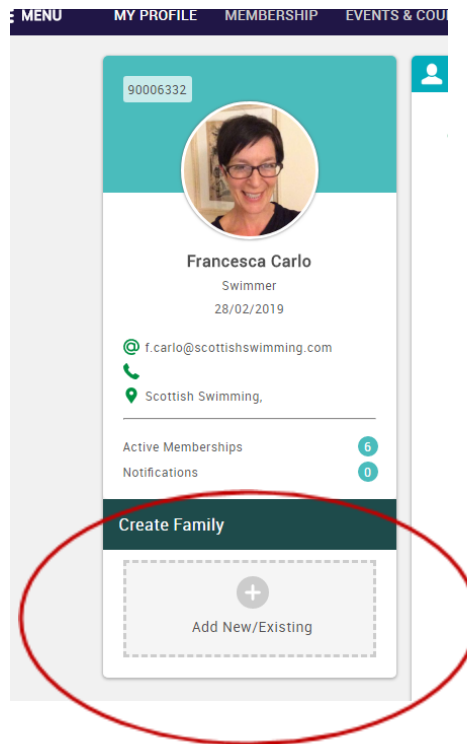

9. Your registration is complete – please have a browse round – there is equality information Scottish Swimming ask people to complete to help us with our equality standards (all confidential), and emergency contacts etc.
10. GASC will add your membership and you will receive an email notifying you once we have added you as a member.

If you have any questions please contact [info@scottishswimming.com](mailto:info@scottishswimming.com) or call 01786 466520.

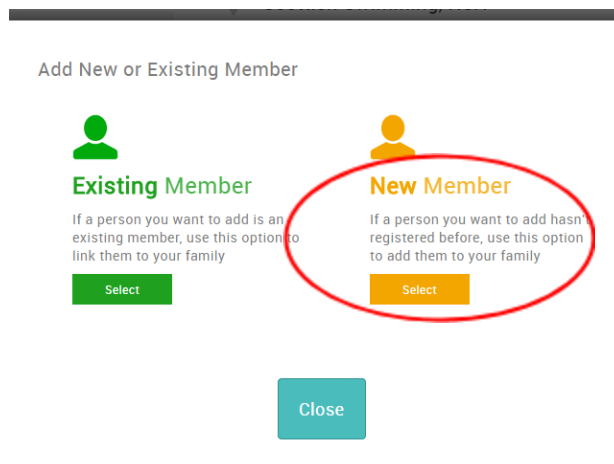

# APPENDIX 1

If you already have a family member registered with Scottish Swimming – how to add additional members:

- A. Log into the existing account here <https://www.scottishswimming.com/> (if you are having difficulty logging on please contact [info@scottishswimming.com](mailto:info@scottishswimming.com) or call 01786 466520).
- B. Once logged on, click on “my profile”
- C. Down at the bottom left you will see an option to add a family member

- D. Select new member

- E. Please add the member's details. In the username and password boxes create a memorable username and password for the new member.

Add New Member
